

CASAGRAND
HERMINA

Dear Resident,

I have been waiting.

For your quiet mornings. For your weekends with friends and family over for softly lit dinners.

I have been waiting for you. For the chance to make a home out of four walls and a roof.

For the deep satisfaction that settles within you when you're on your way back from work, from a long trip, from anywhere because you know you're heading home.

I have been waiting to be part of your every day. To build with you something that would last.

Yours sincerely,

Hermina

*Between movement
and stillness...*

*Between the grounded
and the elevated.*

THE MESSENGER HAS ARRIVED

Hermina is a place where the sea brings calm,
and the city stays within reach.

Inspired by Hermes, the mythological messenger
who moved between the divine and mortal realms,

Hermina is designed to be a bridge
between contrasts.

An aerial photograph of the Dubai Islands, a series of artificial islands in the Persian Gulf. The islands are densely covered in green vegetation and feature a complex network of winding waterways and canals. The deep blue water of the gulf contrasts with the green land and the lighter colors of the developed areas. The perspective is from high above, looking down on the intricate island structures.
